Justin Russo is looking forward to meeting London Tipton when he wins the prize of a essay contest, a "crociera per teen" for Hawaii on the SS Tipton. Even the brother and sister Max Russo and Alex Russo are excited, but the parents Theresa and Jerry Russo refuse to let Alex go because he is late at school. However, Alex discovers that there is a school on board the ship and begs his parents to let her go on the cruise too; the two agree on condition that she does not jump any lesson while she is on board. Alex accepts, but instead of attending classes, he uses magic to take his friend Harper Finkle on board and takes her to attend classes with his name; there, Harper meets Cody Martin. In the meantime, Alex meets Bailey Pickett and helps her win a rope shooting game by cheating. When Moseby insists on knowing his name, Alex uses the name Ashley Olsen to avoid getting into trouble. When Justin meets London, he pretends to be a doctor, which earns his interest. However, Justin begins to lose interest in her when she finds out how little she is smart. Elsewhere, Max meets Zack Martin, Cody's identical twin, and they compete to see who can drink a granita faster. However, they make the mistake of drinking from the same cup, so they decide to run luggage trolleys instead. While he does, Max accidentally hits his cart against several people standing in front of the hot tub and Bailey is invested while eating pizza and starts choking. London sees him and begs Justin to help Bailey, but Justin says he doesn't know how to save her. Alex then intervenes and saves Bailey by giving her abdominal spins. Mr.... Moseby congratulates Alex for helping Bailey and, having forgotten his name, asks him again. Alex, having forgotten the name Ashley Olsen, says to call herself Ashley Simpson (and then Ashley Simpson-Olsen after Bailey reminded her what she said earlier). Max and Harper arrive at the scene and call Alex with his real name and Harper respectively, which leaves Mr. Moseby extremely confused. Max tells the truth to Moseby; in response, Alex pushes him into the hot tub. London, shamed by Justin for not trying to save Bailey, calls him "a stupid doctor" and leaves him (with whom Justin agrees). Eventually Alex transports Harper home using magic, but then he realizes that he may have accidentally sent her homeRome, and he keeps skipping class. Part 2: "Double-Crossed" Season 1, Episode 21 of The Suite Life on Deck. Hannah Montana, also known as Miley Miley and her best friend Lola Luftnagle, also known as Lily Truscott, climbed on board the SS Tipton for a concert in Hawaii. Cody tries to get Bailey, who is a great fan of Hannah, and to himself tickets for the concert because he knows Hannah since she was at Tipton Hotel in Boston and ate the cake from Zack's shirt. Cody first tries to get tickets directly from Hannah, but she doesn't remember him. Then she tries to convince London to help him, but she refuses because she has a grudge against Hannah. On the point of surrender, Cody discovers that he can get tickets by participating in a treasure hunt and recruits his friend Woody Fink to help him. Meanwhile, Justin, Alex and Max are still on board the cruise; Max meets London and tries to impress her with a spacious luggage, while Alex meets Zack, who takes a crush on her. After being embarrassed in front of Zack by Justin, Alex makes a joke to his brother by putting blue coloring in the hot tub and escapes him and Mr. Moseby hiding in the Zack cabin. Mr.... Moseby, believing that Zack is responsible, condemns him to imprisonment in his cabin. Zack blames Cody for his situation, believing that his brother is avenging him for giving a brush in his hair for a joke, and he and Alex sneak out. Zack finds Cody and prevents him from completing the treasure hunt, and Justin demonstrates to Mr Moseby that it was Alex who put the tincture in the hot tub and took it away, saying it will be grounded. Mr.... Moseby apologizes to Zack for having falsely accused him, but he tells him he's still in trouble because he confessed to committing other jokes during the trial. Cody is disappointed, but Bailey is happy that Cody did everything possible to try to get the tickets for them two. Cody receives a cake that Woody had in his hand squirted on his shirt, making Hannah remember him (confessing him for Zack) when he sees him; Hannah gives Cody and Bailey tickets to the concert. Bailey then tells Cody they'll have the best date ever, then surprise him with a kiss. Before the departure of Russian children, London tells Max they will meet again, kissing him on the cheek. This is the only episode of the crossover to have characters from all three series involved in crossover, as in the case of Hannah Montana's That's So Suite Life, where the homonymous episode of Zack & Cody's The Suite Life was part of the crossover cast members of that series, That's So Raven and Hannah Montana. However, neither Selena Gomez, David Henrie nor Jake T. Austin have scenes with Miley Cyrus or Emily Osment in this episode. This is also the first episode in which Cody and Bailey have a reciprocated love (cody liked Bailey as more than a friend since the pilot of the series, but Baileyseemed to appreciate it as more than a friend until this episode). All the main cast of The Suite Life on Deck appeared in all three shows. Alex, Justin and Max doappearance crossover final in this episode. Part 3: "Super (stitious) Girl" Season 3, episode 20 of Hannah Montana. The SS Tipton arrives in Hawaii. Hannah loses a anklet who gave her the dead mother and who considers lucky, and they start to happen bad things: the evidence for the concert goes wrong, puts in the head the mouse of someone else and tears his shirt. Hannah and Lola are looking for the anklet, but they don't find it. A maid finds the anklet and shows it to Mr. Moseby, but London takes it, considering it precious. Hannah and Lola see London with the anklet, and after meeting Zack, they try to convince her to return it; However, when Hannah says that the anklet has fake diamonds, London is mad and throws it into the sea by mistake. Hannah wonders if things can get worse, and they do it: a storm sweeps away her blonde wig, dyes her hair becomes green instead of blonde, and finally a mirror breaks. This is the last drop for Hannah and when Cody and Bailey come to thank her for the concert tickets, she says she is canceling the concert, which upsets both of them. He speaks with his father Robby, who spent the whole cruise dealing with sea sickness, how depressed he felt and how he always felt as if the spirit of his mother was in the anklet, but he rejoices her saying that the spirit of his mother is also in his heart and revealing that he always has a reserve wig, which gives her. Hannah tells Cody and Bailey that the concert is back and that they are invited to the after-party. When Bailey asks Cody if this was his whole plan, Cody responds by saying that a good relationship needs honesty, but he's lying that it was his plan. Hannah's concert goes on and it's okay. Meanwhile, at Hannah's house in Malibu, her brother Jackson and her friend Oliver Oken receive a package addressed to Robby. Although Robby warns them not to open it, Jackson and Oliver can't help but wonder what's in the package and they and Rico Suave open it the same, revealing an inflatable house. The inflatable house automatically inflates, leaving the boys attached to the window for a long time, but Rico eventually swells it with the nail. In this episode Miley and Lilly appear only as Hannah and Lola. Á Happy bloopers and backstage interviews with stars. Theme song The Theme song of Wizards on Deck with Hannah Montana is a remix of the opening sequences of the three shows and the theme tracks in a Rubik's Cube format that twists and turns into the theme tracks of the three shows; it starts with Wizards of Waverly Place, then The Suite Life on Deck, and is followed by Hannah Montana. It lasted for 1:03 minutes and appears during the show when you move on to the different episodes. The 1:03 minute soundtrack is not in the DVD sale of the Canadian region (separated into 3 different programs, broadcast with its own theme tracks). Subsequent retranmissions of all three episodes feature the opening sequences of each show for the individual episodes, as well as the closing credits of Wizards of Waverly Place and The Suite Life on Deck for the episodes of those two series that were part of the crossover, not included in the original broadcast and initial replicas. This is the first Disney Channel crossover to have an opening sequence and theme song to show first and then start the respective series of episodes. In the United Kingdom, however, it is shown, also on the premiere, as three single episodes, with three sequences of individual titles. References ↑ Boedeker, Hal.
